WHO WE ARE

It all begins with an idea. Synergy Social Wellness was born out of the desire for something that didn't already exist. We wanted to bring premier health and wellness events to upstate NY because we deserve to have them right here. We wanted to collect like-minded people with agency over the one beautiful life we're gifted, because we believe that when you surround yourself with people who encourage you to level up, the sky is the limit. We bring top experts in health and longevity together to present workshops, social gatherings, panel discussions and retreats.

OUR VALUES

**SYNERGY SOCIAL WELLNESS IS AN
EVENT COMPANY BUILT ON A
FOUNDATION OF 4 PILLARS:**

- Movement
- Nutrition
- Mind & Spirit
- Community

WAYS THAT WE CAN COLLABORATE

1. You can sponsor an event by supplying an item that fits our criteria and we'll promote your sponsorship in all of our social and newsletter outreach for that event.

Monetary sponsorship opportunities also available.

2. You can join us at the event as a instructor, speaker or expert.

Collaborators are paid for their time. Depending on the nature of the collaboration, we may also pay for event participation and lodging.

3. You can showcase your product and sell at the event (vendor fee applies).

Our participants are engaged and love to learn about new products that fit their healthy lifestyle.

4. Have a different idea? We're open to it! Let's meet and discuss the opportunity!

1. SPONSORSHIP DETAILS

Do you have a product that you want to get in the hands of health enthusiasts?

In-kind sponsorships for events are welcome (as long as they fit our foundational values).

We'll add product to swag bags, use during our events or both.

We'll also shoutout your brand in our social and newsletter promotions of the event you're sponsoring.

Does your organization want to align with our brand?

Monetary sponsorship agreements are on a one-to-one basis.

2. JOIN US AT AN EVENT

Radical collaboration is at the core of everything we do at Synergy Social Wellness... seriously, it's in the business plan.

Present us with your expertise and idea and we'll see if it's a fit!

Collaborators are paid, we value your time and energy.

Depending on the nature of our agreement, we may also offer lodging and/or event registration. Collaborators agree to share the event in a number of social posts (dependent on event) and newsletter.

We feature collaborators in all event promotions.

3. VENDOR SHOWCASE

Set up at our event during freetime and let our participants shop your product! We do require that your items meet our value standards and there is a fee (varies depending on event).

4. WE'RE OPEN TO
UNIQUE
PARTNERSHIPS
